TRUST SOURCES

Trust Source 1

Trust Source Name
Client ID
Client secret

```
Ratings {
  UserID,
  TQ nodes {
    node_name_1 {
      node_value,
      node_range,
      updated,
      ...
    },
    node_name_2 {
      node_value,
      node_range,
      updated,
      ...
    }
  }
}
```

Trust Source n

Trust Source Name
Client ID
Client secret

```
Ratings {
  UserID,
  TQ nodes {
    node_name_1 {
      node_value,
      node_range,
      updated,
      ...
    },
    node_name_2 {
      node_value,
      node_range,
      updated,
      ...
    }
  }
}
```
